TORCH RUN
FOR SPECIAL OLYMPICS
MASSACHUSETTS

PENNY DRIVE

Local Police Departments partner with elementary, middle and high schools to collect spare change for Special Olympics MA for 1-2 months. On collection day, Officers host a “rolling-rally” party to collect donations. Whether on foot, in police vehicles or both, Departments and schools celebrate environments full of respect, dignity and inclusion for students with intellectual disabilities. The top fundraising class earns a pizza party hosted the Police Department!
